

Perth's Best

SWEET TREATS

OUR FAVOURITES:

- Sweet petit fours from Martineau's Patisserie, Nedlands
- Florentines from Voyage, Sorrento
- Vanilla slice from Chez Jean-Claude Patisserie, Subiaco and West Leederville
- Melting moments from Simply Beautiful Biscuits, Mosman Park
- Brazilians from For the Coffee Table, Floreat.

TOP PICK:
SWEET PETIT FOURS FROM
MARTINEAU'S PATISSERIE

Sweet treats are one of life's pleasures and we have scoured Perth for the sweetest of the sweet. Each of these divine treats is worth the guilt you'll feel afterwards. While everybody should try Simply Beautiful Biscuits' velvety melting moments and the crunchy Brazilians from For The Coffee Table, Martineau's wins for its scrumptious petit fours. Made from choux pastry and filled with luscious creme patisserie, both the custard and chocolate varieties are heavenly. Owners Christine and Christian Martineau do an irresistible range of similarly sweet treats at their Nedlands shop.

PRE-MADE SALAD DRESSING

OUR FAVOURITES:

- Cafe 26
- Simply Delicious (organic)
- Quality Fine Foods

TOP PICK: CAFE 26

This preservative-free, locally produced dressing was originally served in its namesake Subiaco cafe, where many customers would request take-home packs. After selling out of 2500 units in two days at the 1999 WA Wine & Food Festival, cafe owner Tony Ong formed a separate company to meet the demand and has since expanded the range to include three varieties, original, tangy and Caesar.
